

## ***Be Opened - A message for those currently using the Resource***

With the current climate changing day by day, we realise many Lenten groups are deciding not to meet.

If this is the case for your community, you can still participate in the program from home.

Maybe your group could still do it at the same time each week and connect with your group members by phone or social media.

**To assist we have made the videos of the Gospel Reflections and Personal Stories available to view through YouTube.**

The transcript of the stories (which are the only items not in the book) are also available to download.

Feel free to pass the below link on to those in your community participating in the program.

**Please visit [www.lentprogram.com](http://www.lentprogram.com) for the links.**

We pray that as we journey through these difficult times that our lives may be opened to new possibilities, new ways of loving and caring for our neighbour.

Blessings

Donna
